Our school initiatives are on track to meet or exceed our targets

During 2018, we focused on maximising the benefits of this funding for our students. After reviewing our 2018 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented included:

- Maintaining our high achievement in reading and achieving NMS or above in Year 3 and Year 5 in reading(or have an evidence-based learning plan in place to address their specific needs.)
- Achieving NMS or above in Year 3 and Year 5 in writing or have an evidence-based learning plan in place to address their specific needs.
- Achieving NMS or above in Year 3 in numeracy (or have an evidence-based learning plan in place to address their specific needs.)

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2018 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented included:

- Matching the achievement of high performance students in reading with their achievement in writing for 80% of students, where results have been significantly higher for reading.
