SCHOOL RULES

1. Children must obey all school rules and other directions given by staff
2. Anti-social behaviour, including fighting and swearing is unacceptable. Appropriate and courteous behaviour should be displayed at all times.
3. No object other than soft balls may be thrown unless under adult supervision.
4. Foodstuff must be consumed in the designated area and litter must be placed in the appropriate containers.
5. All members of the school must care for buildings, equipment, and grounds at our school.
6. Bicycles, skateboards, and other wheeled games must not be used in the school grounds. They should be wheeled or carried in and out of the grounds and stored in the bicycle racks or another designated place.
7. Children should not be in the school buildings or on verandahs during breaks unless directed by a teacher and then only when a teacher is present.
8. Children should not be in school grounds outside normal school hours unless involved in supervised activities. Permission must be obtained before leaving the grounds except at dismissal time.
9. Proper health and safety practices must be observed at all times. This includes the wearing of hats and other sun protection clothing whilst playing.
10. All members of the school community will strive to demonstrate a sense of pride in and responsibility for their school.
