Dear Parents and carers,

As part of our school's approach to the way we communicate with you, we offer an interactive, graphically rich, full colour professional electronic newsletter.

This service is provided free of charge by Australian Newsletter Services. It is similar to the printed paper newsletter, but with added benefits – it is personally delivered directly to your e-mail inbox and can be accessed at any time.

With our eNews service, the distance between the school and our families will be shortened. You will be able to experience first-hand the activities we are currently undertaking and the latest information on academic, sport, art, music and more. You can also forward the eNewsletter to anyone with e-mail so the whole family can share in your child/ren's success.

To sign up to our eNewsletter, please fill in the form below.

Please note that Australian Newsletter Services have a strict privacy policy and your e-mail address will not be used to send unsolicited information, or disclosed to a third party under any circumstances.

You will also be able to access the newsletters from the school website www.junctionparkss.eq.edu.au and via the QParents App.

Yours faithfully,

Christine Wood
